

EMO2C**"EMOTIONAL INTELLIGENCE AND SOCIAL
SKILLS FOR SECOND CHANCE EDUCATION
STUDENTS"**

The EMO2C consortium has gathered in Cordoba!

The opening meeting of the EMO2C project was held in Cordoba, Spain on 30-31 May 2022. In this meeting, central issues of the project, such as the future stages, its potential achievements, outputs, risk management, the quality assurance and evaluation plan, as well as the dissemination strategy were discussed. The partners shared their experiences about their roles and contributions in the project. The meeting was concluded in a warm, friendly and effective way, just like the weather of Cordoba.

Entrepreneurship, assertiveness, experience, self-belief, awareness

The vision of EMO2C is to strengthen the emotional and social competencies of second chance students, so that personal empowerment serves as a basis for the development of technical and professional skills. The impact EMO2C seek is to provide comprehensive training to the target group so that they increase their employability options and to reduce the alarming figures of youth unemployment in the EU.

Who are we?

The partnership is formed by several entities from different countries. INDEPCIE from Spain (coordinator), AKMI from Greece, Efektas Group from Lithuania, VAEV from Austria, Igor Vitale International from Italy and the Dutch Foundation of Innovation Welfare 2 Work from the Netherlands.
